## NOVEMBER 2008 NEWSLETTER

### STANLEY GIBBONS

#### Stamps of the World 2009 - 5 volumes

Since it was first published in 1934, Stanley Gibbons Simplified Stamps of the World catalogue has become accepted as a standard work of reference around the world. With its easy-to-use, simplified listings, mint and used prices for almost every one of its 485,000 plus stamps, colour illustrations and helpful introductory notes, this is the catalogue for the thematic or all-world collector. The 2009 edition continues the long tradition of expansion and improvement, which has been the key to the catalogue's ongoing success. This year there is a new cover design. All miniature sheets are now included, and over 11,000 new stamps have been added to the five volumes.
